

1511 Your Company...

Creates an Account

add employees to your team.

Create your SimplePerks account and

Invites Their Employees

Add employees to your SimplePerks account. You can even create groups to easily assign and manage perks down the road!

Creates a Perk

Create a perk for a single team member, group, or team-wide. Then set the amount, duration, and choose whether to make it a recurring perk.

Purchase your Perk, this transfers funds for the perk to your SimplePerks account

0

Your Employees...

Receive a Sign-Up Email

We'll send out emails to everyone you've added to let them know exactly how to setup their SimplePerks account.

$\underline{\bigcap}$ Get an Email & Notification

Everyone you've added to the perk receives an email and notification letting them know about their new perk. Their cards are loaded, and they're now free to spend how & wherever they choose.

F, View Transaction Report

See a detailed transaction report of your team's spending and track which perks performed the best.

(f) Get Your Money Back!

Any unspent balance from a perk gets returned to your SimplePerks account and can be applied as a credit to future perks.

You can also cash out at anytime and have your SimplePerks balance credited to your card/account on file.

Why Create Perks?

Your team is your most valuable asset. Investing in their happiness is an investment in the future of your company. A happy and healthy team averages nearly 60% less turnover.

Cost of SimplePerks

SP Beta: \$6.99/m/m

- No card or transaction fees.
